Honorable Lee Sinclair, Presiding Judge
Stark County Common Pleas Court

Dear Judge Sinclair:

This letter is written to commend Joe Calabretta for his efforts in mediating a case last week in which I represented one of the parties (Pace vs. Renu Restoration LLC).

The dispute was a contract case which involved a laundry list of complaints which would probably have taken two days of trial. Joe worked the case back and forth between the parties at mediation for over two hours and achieved resolution. I thought his efforts in mediating this in the face of reluctance on the part of both parties was well above the norm.

My thanks to Joe for his efforts. My best wishes to you and your family.

Sincerely,

Thomas M. Bernabei
