Re: Irene Alekseyev v. ID Consultant, Inc., et al.
Case No. CV 15 839452.

Dear Mr. Wilkof:

Thank you very much for your letter notifying me of the successful mediation you conducted in the above-referenced civil dispute. This Court greatly appreciates the efforts of talented mediators like yourself who employ alternative methods of dispute resolution. Such resolutions, as you are aware, provide litigants with an opportunity to save potentially exorbitant litigation expenses while allowing them to move on with their lives.

The Court is also appreciative of the relief such methods provide to a busy docket containing a multitude of both criminal and civil disputes.

Very truly yours,

Michael P. Donnelly
